GET READY FOR HUNTING SEASON

The cooler, shorter days of fall are quickly approaching and with so much going on it's easy to see how this is a favorite season for a lot of people! Events, festivals, holidays and football are just a few things keeping us busy this time of year. But one activity we never miss out on during the fall is hunting! Most of us grew up spending time walking through the cool forests of fall in pursuit of game. It's almost always a family based activity and a Southern tradition for kids to make it to the hunting grounds at least once with their daddy. Want to read more? Click here.

SELWYN BIRCHWOOD AT BLUES, BREWS & BBQ

With his fiery guitar and lap steel playing, his trailblazing, instantly memorable songs and gritty, unvarnished vocals, Selwyn Birchwood is among the most extraordinary young stars in the blues. His deep familiarity with blues tradition allows him to bust the genre wide open, adding new sounds, colors and textures, all delivered with a revival tent preacher's fervor and a natural storyteller's charisma. Since the 2014 release of his Alligator Records debut, Don't Call No Ambulance, Birchwood's meteoric rise from playing small Florida clubs to headlining international festival stages is nothing short of phenomenal, as he continues to set the contemporary blues world on fire. The album received the Blues Music Award and Living Blues Critics' Award for Best Debut Album Of 2014, and he won the 2015 Blues Blast Rising Star Award. Selwyn and his band have crisscrossed the U.S. and Europe repeatedly, delivering unforgettable live performances. Want to read more? Click here.

THE SOUNDS OF LOCAL MUSIC

The South has a long list of incredible attributes that makes it the amazing place that it is. Food, people, manners, film locations, sweet tea and celebrities are all things that have made the South popular and well known. But one of the biggest attributes of the South is music! Some of the best music genres and musicians have been brought to life in our neck of the woods. Blues, jazz, country and rock'n'roll were all born in the South. So it should come as no surprise that music is a focal point in Liberty County events and festivals, or that we have our fair share of musicians. We even have a few songs featuring our coastal community!

WHO CAN JOIN THE CHAMBER?

Chamber membership is open to anyone who wants to do business in Liberty County or just be connected to the community. Did you know we have quite a few retirees who are members? They just want to give back, volunteer & be a part of things.

Chamber membership pricing is based on the number of employees that a business has, however, there are exceptions for those who are retired. Realtors (R) can also receive discounted pricing if their Broker/Owner is a member.

We also have members from Savannah, Jesup, Richmond Hill and other cities. These are businesses who want to do business in Liberty County. They want to network with our folks and get to know the community.

What are the benefits of Chamber membership? Well that could take us all day to explain but the basic explanation is you get out of it what you put into it. If you take advantage of all of the opportunities then the sky is the limit!

Want to know more or refer a friend for membership? Click here.

BOARD MEMBER PROFILE

Ashley Dodd
Board Member

McDonald's is an internationally recognized brand, and the restaurants dot the globe. What you may not realize, however, is that each location is locally owned and operated. Here in Liberty County, Ashley Dodd is the second generation in her family to own locations on Highway 84, Highway 196 and inside the Walmart Supercenter. Her father, Gary Dodd, opened the original location here, and that 41 year-long family legacy is incredibly important to her.

Dodd attributes her success in business to her father who came from Detroit, Michigan. He started working at a McDonald's there at 14 and worked his way up in the company until he had enough money to buy his own franchise. And we are grateful to have her!
