"There is Something About Liberty County"

Everyone I have encountered who is not from Liberty Co. but is a current resident (myself included) always says the same thing, "There is just something about Liberty County."

I couldn't agree more. I truly love this place. We are a truly unique place. There is so much history. So much to see and explore.

The people are the key, though. The diversity makes this place like no other, and I truly appreciate it. I encourage you to get out and get involved and meet some people if you haven't yet. Soon you will say, "There is just something about Liberty County."

You can always go to our website and check out our calendar to see what is going on in Liberty County, so you can get involved!

We would love to see you out and about!

March 02, 2018

Dear Business Owner/Operator:

The 3rd Infantry Division will once again host a 4th of July "Worth Fighting For" Celebration marking their 101st year of service to the United States. As part of this celebration the Hinesville Military Affairs Committee (HMAC) is once again serving as the coordinating agency for the Food Court portion of this great celebration. HMAC plans on providing at least 7,000 free meals to the soldiers and family members of the division.

HMAC needs your support to provide all these meals. They are inviting restaurants, businesses, civic groups, faith-based groups, and private citizens to participate in one of or a combination of the following ways.

- Sponsor a food booth at the event in which you provide a minimum of 250 meals
- Provide drinks or desserts
- Volunteer to work in the food court to help prepare and/or serve
- Provide tables, tents, or grills

Food will be served from 11:30 a.m. until 1:30 p.m. and must be free of charge.

As Americans we all come together every July 4th to celebrate our independence. Our independence was not easily earned as many have fought and died to protect it. Those who have served this great nation in our military as well as those who are serving today know that our freedom and independence is truly worth fighting for.

Please support this event by completing the attached participation form. Contact information is provided on the participation form if you have any questions or need additional information.

Sincerely yours,

Allen Brown

Remember to

Shop Local, Shop Liberty!

The Liberty County Chamber of Commerce is entering the 9th year of our successful **Member to Member Discount Program**. With over 90 members participating, business to business relationships are at the core of our mission. With this program, members can provide special offers and discounts directly to other members and their employees.

All members of the Chamber receive a membership card when they join, as well as one for each employee. Members also have access to a full list of discounts on the Chamber's website www.libertycounty.org.

The discount cards, when flashed at participating member businesses, save money instantly on purchases. The main purpose of the card is to verify membership in order to receive discounts. Participating businesses this year will also be given a plaquard to display as a way to prompt people to remember their discounts.

We encourage you to choose a discount or offer that is appropriate to your business, 10% off any item or a specialty item in your shop; 10% off of services for a first-time customer; 15% off a first contract for services; a free visit for consultation; or a discounted rate for monthly services. These are just some examples of what you can do. To join the M2M Program please contact the Chamber office today at 368.4445 or email sales@libertycounty.org.

Our goal is to keep more of Liberty County dollars in Liberty County, so Shop Local, Shop Liberty!
