# ZAXBY'S®

By Molly O'Hearon

So my column today will take a little different approach. There are so many members who join and mention they would like to know more about social media. I do not claim to hold the title of "Social Media Master" however, I do try to do my research on the latest trends and popular techniques. So I have comprised a short list of some of websites I have found useful for information on social media. This list is by no means comprehensive or all it takes to develop a winning social media plan, but maybe it will help get you started.

- 1. HubSpot blog: <http://blog.hubspot.com/>  
This blog has excellent information for marketing, social media, sales, you name it.
- 2. Feedly: <https://feedly.com>  
This site provides the latest news stories from 1,000s of publications on a wide array of topics. It is great for content ideas for social media.
- 3. YouTube: <https://www.youtube.com>  
There are countless webinars, slideshows, and videos on YouTube to show you how to do nearly everything. From changing a profile picture, to designing a flyer or developing a social media plan, YouTube is a valuable resource for learning about social media.

HAVE A WONDERFUL WEEKEND!

The Liberty County Chamber of Commerce is entering the fourth year of our successful **Member to Member Discount Program**. With over 90 members participating, business to business relationships are at the core of our mission. With

this program members can provide special offers and discounts directly to other members and their employees.

All members of the Chamber receive a membership card when they join, as well as one for each employee. Members also have access to a full list of discounts on the Chamber's website [www.libertycounty.org](http://www.libertycounty.org).

The discount cards, when flashed at participating member businesses, save money instantly on purchases. The main purpose of the card is to verify membership in order to receive discounts. Participating businesses this year will also be given a plaquard to display as a way to prompt people to remember their discounts.

We encourage you to choose a discount or offer that is appropriate to your business, 10% off any item or a specialty item in your shop; 10% off of services for a first time customer; 15% off a first contract for services; a free visit for consultation; or a discounted rate for monthly services.
