3 BREAKFAST BITES WORTH GETTING UP EARLY FOR

We know getting up early in the mornings is for the birds, especially if it's your day off. But hear us out - there are few things worth rolling outta bed for, and we have three! First up is Angie's Diner. Grab a fluffy stack of pancakes with a side of bacon or grab a plate and get in line for the breakfast buffet filled with all the traditional Southern fixins' like biscuits & gravy. Next on the list is Margie's Southern Cooking. This stationary food truck made the Georgia list of Best Food Trucks in 2017. And last but not least is Izola's Country Café. The cafeteria-style restaurant is not one to pass up for any meal but especially not breakfast!! Casseroles, bacon, grits, biscuits, pancakes, sausage gravy - they got it all and it's all good! FUN IN THE SUN - THINGS TO DO EVEN AFTER SCHOOL STARTS

There are still a few precious days of summer left, and this list is a surefire way to make sure your kids get in the time outdoors that they need before homework, assignments and Zoom classes take over all of their time.

1. Go for a picnic at Bryant Commons
2. Check out the Historic Baptismal Trail
3. Visit Jones Creek Park
4. Go to Fort Morris
5. Visit Cay Creek Wetlands Interpretive Center

WHO CAN JOIN THE CHAMBER?

Chamber membership is open to anyone who wants to do business in Liberty County or just be connected to the community. Did you know we have quite a few retirees who are members? They just want to give back, volunteer & be a part of things.

Chamber membership pricing is based on the number of employees that a business has, however, there are exceptions for those who are retired. Realtors (R) can also receive discounted pricing if their Broker/Owner is a member.

We also have members from Savannah, Jesup, Richmond Hill and other cities. These are businesses who want to do business in Liberty County. They want to network with our folks and get to know the community. What are the benefits of Chamber membership? Well that could take us all day to explain but the basic explanation is you get out of it what you put into it. If you take advantage of all of the opportunities then the sky is the limit!

Want to know more or refer a friend for membership? [Click here.](#)
