Minute Musings

By Nolan Mobley

A few years ago, I learned about lucid dreaming and have been hoping to experience it since. Lucid dreaming is when you're aware that you're dreaming and can manipulate the dream in any fashion. If you've seen the movie Inception, then that's the basic concept of it. I started keeping a sleep journal a week or so ago (although

I haven't stayed consistent with it). They say that in order to lucid dream, you have to help yourself remember that you're dreaming. Things like looking at a clock throughout the day, keeping a dream journal, or telling yourself constantly that you are awake are supposed to help, but I can't confirm or deny that.

How cool would it be to be able to fly whenever you wanted or just imagine yourself to be anywhere you want?

On the same note of dreams, I have always looked up symbols in my dreams and the meanings behind them always accurately line up with what is happening in my life. For example, when things aren't going so smooth, I tend to have dreams of snakes.

Whether they're chasing me or just laying somewhere in my dream, it only happens when things aren't great. Lastly, we've all experienced déjà vu or having something in a dream coincide with waking up in real life. How is it that our subconscious works in such a complex way that it basically predicts the future? I'm not sure if that's something that can ever be explained. Hope I gave you something to ponder on this weekend.

Have a wonderful Friday.

Take a look at the flyers for each business on this page and then present your M2M card to take advantage of the savings! Thank you to La Quinta Inns & Suites and Izola's Country Cafe for offering these discounts and participating in our M2M program! Remember to Shop Local, Shop Liberty!

The Liberty County Chamber of Commerce is entering the fourth year of our successful **Member to Member Discount Program**. With over 90 members participating, business to business relationships are at the core of our mission. With this program members can provide special offers and discounts directly to other members and their employees. All members of the Chamber receive a membership card when they join, as well as one for each employee. Members also have access to a full list of discounts on the Chamber's website www.libertycounty.org.

The discount cards, when flashed at participating member businesses, save money instantly on purchases. The main purpose of the card is to verify membership in order to receive discounts. Participating businesses this year will also be given a plaquard to display as a way to prompt people to remember their discounts.

We encourage you to choose a discount or offer that is appropriate to your business, 10% off any item or a specialty item in your shop; 10% off of services for a first time customer; 15% off a first contract for services; a free visit for consultation; or a discounted rate for monthly services. These are just some examples of what you can do. To join the M2M Program please contact the Chamber office today at 368.4445 or email brandy@libertycounty.org.

The family sacrifices and serves too. The Soldier, Sailor, Airman, Coastie or Marine who serves doesn't do so alone-beside him is a loving family that have needs that you can help with! United Military Care is here for them but we need your help. It takes money to have an office for them to come too, a food pantry to give supplies from and more. Your gift will make a huge difference and bring about a lot of smiles.
