Student Filming Notification

Hello,

I will be filming scenes for a class project entitled "name of project" in this area on date(s) from start time to end time. Our location is address or name of location. The activity will involve describe what they will see: "a man talking to a woman in the park" or "a fake robbery" and list any parking, traffic or other disruptions that will take place. If you have a police officer, state that here. If there are no disruptions, then put "there should be no disruptions."

I am working with the "Municipality" Permitting Office and the Liberty County CVB. If you have any concerns, you can reach them both at:
