Discussion Items

Luis w/Vida Prints & Gifts had an idea to help local restaurants with custom t-shirts.

Leah showed the group the t-shirt designed by Ashley Kukula Cuevas that the CVB originally had made for Travel & Tourism Week, however, with the current situation these shirts will be given to local downtown businesses to sell in their shops with all proceeds staying with that local business.

Leah informed the group that LRMC had reached out in need of digital thermometers. The request was for 22 thermometers at a cost of \$180 each; funds have been collected for 9 thermometers.

The Chamber is hosting a Indoor Selfie Scavenger Hunt on Facebook Wednesday, April 1st open to children 4-18. Sharing their selfies in the FB event, with parent/guardian permission and help, they have a chance to win a \$50 gift card to a local business that ships or delivers.

Karen Durham w/HDDA informed the group that they were working on an Easter Egg Hunt with local downtown businesses. She should have a list of participating businesses by Thursday. There was some discussion regarding the farmers market subscription boxes.

The Chamber has created Zoom meeting backgrounds using photos from around Liberty County that will be made available to teachers, etc.

Krystal Hart, speaking on Census 2020, informed the group that the Census has been pushed back 2 weeks. The challenge remains to get the general public to complete the Census online.

Leah noted that the chamber is working on a Zoom meeting for next week w/Dr. Perry and the Liberty County BOE.
