NEWS RELEASE

Hinesville's Pedrick & Company Remains Operational
During COVID-19 Pandemic

HINESVILLE, Ga. (April 3, 2020) – Pedrick & Company, a certified public accountants (CPA) and advisors firm in Hinesville, Ga., may have closed their office to the public during the COVID-19 pandemic, but they want the community to know that they are still open for business.

"As the local outbreak of the coronavirus deepens, we recognize that certain aspects of life and business must go on," said Pedrick & Company Owner Kent Pedrick. "Everything we are doing right now—increasing cleaning and sanitizing, offering curbside drop-off and pick-up service and maintaining social distance amongst our employees—meets the guidance provided by the CDC and other public authorities so that we can continue to serve our clients and our community as an essential business during this time."

While the Internal Revenue Service (IRS) extended the deadline to file taxes until July 15, Pedrick & Company is actively preparing tax returns. Additionally, staff is still conducting payroll, bookkeeping and all other offered services for their existing clients.

To take advantage of Pedrick & Company's curbside drop-off and pick-up service or for all other inquiries, call the office directly at 912.876.4697 during the normal operating hours of Monday through Friday, 8 a.m. – 5 p.m. You can also email questions to info@pedrickcpa.com.
