THE CRITICAL ROLE OUR OFFICE ADMIN PLAYS IN THE CHAMBER

Every office has that one person who keeps up with the calendar, meetings and scheduling. Without that one person we like to call our "Administrator" we'd be organizationally challenged. Terri Willett our Office Administrator is an intelligent, organized machine! [Click here to read more!](#)

10 RARELY KNOWN LIBERTY COUNTY FACTS

Liberty County is a hidden gem along the Georgia coast but is known by visitors and residents alike for its stunning scenery, incredible history, mouthwatering food and friendly folks (just to name a few). But we bet there are still things that even the longest residents haven't discovered about our coastal paradise yet! Here are some fun facts you probably didn't know about Liberty County. [Click here to read the full blog!](#)

FARMERS MARKET BOXES

The Liberty County Chamber of Commerce (LCCOC), the City of Hinesville, Hinesville Farmers Market and Hinesville Downtown Development Authority (HDDA) have all teamed up to create a subscription box full of farmers market goods.

There will be a limited number of subscription boxes available each week, starting this week until further notice. Each box will cost \$25 and will include a variety of fresh fruit, vegetables and herbs. Some will also include eggs. There are also options for add ons, such as plants, local honey, beef jerky, barbecue and more.

Curbside pick-up will be Friday 2-5pm at the LCCOC, located at 208 East Court Street, in Hinesville. Orders and payment must be made by 5:00 PM the Tuesday prior.

A QUICK GUIDE TO OUR SEASONAL VISITORS - HUMMINGBIRDS

Spring is an exciting season for coastal Liberty County as the flowers begin to bloom, bees are buzzing and a lot of our colorful feathered friends return including the ruby-throated hummingbird! These petite beauties can be spotted as they flit through your gardens looking for something sweet to drink from March until the fall. Native plants to the coast like azaleas, honeysuckle and Rose of Sharon are excellent plants to attract hummingbirds. If your thumb isn't so green, a feeder filled with homemade nectar is another great way to attract these tiny speed fliers. [Click here to continue reading!](#)

"THE MOST BEAUTIFUL THING WE CAN EXPERIENCE IS THE MYSTERIOUS.
IT IS THE SOURCE OF ALL TRUE ART AND SCIENCE." - ALBERT EINSTEIN

WHO CAN JOIN THE CHAMBER?

Chamber membership is open to anyone who wants to do business in Liberty County or just be connected to the community. Did you know we have quite a few retirees who are members? They just want to give back, volunteer & be a part of things.

Chamber membership pricing is based on the number of employees that a business has, however, there are exceptions for those who are retired. Realtors (R) can also receive discounted pricing if their Broker/Owner is a member.

We also have members from Savannah, Jesup, Richmond Hill and other cities. These are businesses who want to do business in Liberty County. They want to network with our folks and get to know the community. What are the benefits of Chamber membership? Well that could take us all day to explain but the basic explanation is you get out of it what you put into it. If you take advantage of all of the opportunities then the sky is the limit!

BRIGHTEN YOUR RAINY DAY WITH MARY'S DELICIOUS BRUNSWICK STEW

Why anyone could possibly think this dish is weird just baffles me. Mary Prince, the Chamber & CVB's First Impression Coordinator, used to make this for us and it was to die for! She took a smoked pork butt and cut it up into bite-sized pieces. Then threw it in a large pot with some chopped onions, diced tomatoes, sweet corn and whole kernel corn. The pot simmered for a few hours, then she salted to taste. Last, she added diced potatoes and peas and let it simmer until potatoes are soft. She was gracious enough to share her recipe with us. Give it a try. We promise it's amazing! [Click here to read the full recipe!](#)
