FASCINATING TIDBITS THAT YOU NEVER KNEW ABOUT OUR COMMUNICATIONS COORDINATOR

Communications is an essential part of any business whether it be through social media, face to face or on phone. It's the glue that keeps a company and its customers informed. That's why we value our Communications Coordinator, Shima Henderson so much, she is great about effectively communicating what it is we do and why we do it. [Click here to continue reading!](#)

DISCOVER THE MYSTERIOUS TREE SPIRITS OF LIBERTY COUNTY

Summer is quickly approaching which means bright, sunny skies and warmer days perfect for adventures! Nothing beats cruising down the back roads and wandering off the beaten path to discover the natural beauty that is all around us. You might even be surprised at what you find hidden among the trees! FARMERS MARKET BOXES

The Liberty County Chamber of Commerce (LCCOC), the City of Hinesville, Hinesville Farmers Market and Hinesville Downtown Development Authority (HDDA) have all teamed up to create a subscription box full of farmers market goods.

There will be a limited number of subscription boxes available each week, starting this week until further notice. Each box will cost \$25 and will include a variety of fresh fruit, vegetables and herbs. Some will also include eggs. There are also options for add ons, such as plants, local honey, beef jerky, barbecue and more.

Curbside pick-up will be Friday 2-5pm at the LCCOC, located at 208 East Court Street, in Hinesville. Orders and payment must be made by 5:00 PM the Tuesday prior.

A QUICK GUIDE TO OUR SEASONAL VISITORS - HUMMINGBIRDS

Spring is an exciting season for coastal Liberty County as the flowers begin to bloom, bees are buzzing and a lot of our colorful feathered friends return including the ruby-throated hummingbird! These petite beauties can be spotted as they flit through your gardens looking for something sweet to drink from March until the fall. Native plants to the coast like azaleas, honeysuckle and Rose of Sharon are excellent plants to attract hummingbirds. If your thumb isn't so green, a feeder filled with homemade nectar is another great way to attract these tiny speed fliers. [Click here to continue reading!](#)

"SOMETIMES YOU CAN'T SEE YOURSELF CLEARLY UNTIL YOU SEE YOURSELF THROUGH
THE EYES OF OTHERS." - ELLEN DEGENERES

WHO CAN JOIN THE CHAMBER?

Chamber membership is open to anyone who wants to do business in Liberty County or just be connected to the community. Did you know we have quite a few retirees who are members? They just want to give back, volunteer & be a part of things.

Chamber membership pricing is based on the number of employees that a business has, however, there are exceptions for those who are retired. Realtors (R) can also receive discounted pricing if their Broker/Owner is a member.

We also have members from Savannah, Jesup, Richmond Hill and other cities. These are businesses who want to do business in Liberty County. They want to network with our folks and get to know the community. What are the benefits of Chamber membership? Well that could take us all day to explain but the basic explanation is you get out of it what you put into it. If you take advantage of all of the opportunities then the sky is the limit!

Want to know more or refer a friend for membership? [Click here.](#)

BRIGHTEN YOUR DAY WITH MARY'S DELICIOUS BRUNSWICK STEW

Why anyone could possibly think this dish is weird just baffles me. Mary Prince, the Chamber & CVB's First Impression Coordinator, used to make this for us and it was to die for! She took a smoked pork butt and cut it up into bite-sized pieces. Then threw it in a large pot with some chopped onions, diced tomatoes, sweet corn and whole kernel corn. The pot simmered for a few hours, then she salted to taste. Last, she added diced potatoes and peas and let it simmer until potatoes are soft. She was gracious enough to share her recipe with us. Give it a try. We promise it's amazing! [Click here to read the full recipe!](#)
