PICKELED GREEN BEANS IN 6 STEPS

It's getting hotter outside & that means summer is on the way! And what better way to celebrate one of the best times of the year than using fresh produce! We have enjoyed exploring all the delights that the Fleming Fruit Stand has and stumbled upon fresh green beans several weeks ago, but we may have gone a little overboard in buying too many so we found a quick and easy way to enjoy them all summer by pickling them, without having to can them! These will keep up to a month in the fridge and can be used for a snack, in salads or even in a Bloody Mary as a garnish! [Click here to continue reading.](#)

5 EASY STEPS TO MAKE PEACH BUTTER

If you've been getting Farmers Market Subscription Boxes the last 8 weeks you've likely gotten some delicious Georgia peaches. If you haven't you can still go buy peaches locally from the Fleming Fruit Stand on Hwy 196. These delicious and sweet fruits are not only the Georgia state fruit, they are also a huge industry in our state. We've come up with all kinds of uses for peaches in the last several weeks, but one of our favorites has hands down been peach butter! So here you go in 5 easy steps! #1 Break out the crockpot and wash your peaches (8-10 large for a small crockpot) #2 Peel your peaches and give them a rough chop like the photo below. GEORGIA PEACH COBBLER IN 6 STEPS

It seems like peaches are everywhere! And why shouldn't they be, after all we are the peach state! This sweet and delicious summer fruit has been the star of our desserts for weeks now so we thought we would share a quick recipe for Georgia peach cobbler in 6 easy steps! 4 HELPFUL TIPS TO UTILIZING ALL OF THE DELICIOUS PRODUCE FOUND IN THE FARMERS MARKET SUBSCRIPTION BOXES

Even with COVID-19 it has still been an extremely busy spring for us here at the Chamber/CVB. We have found ways to keep busy by doing things like painting doors and cleaning baseboards to upping our video game and starting things like the Farmers Market Subscription Box program. We have enjoyed the last almost eight weeks of offering this program, being able to help local merchants and vendors and really coming together as a team to provide something that the public has enjoyed immensely. WHO CAN JOIN THE CHAMBER?

Chamber membership is open to anyone who wants to do business in Liberty County or just be connected to the community. Did you know we have quite a few retirees who are members? They just want to give back, volunteer & be a part of things.

Chamber membership pricing is based on the number of employees that a business has, however, there are exceptions for those who are retired. Realtors (R) can also receive discounted pricing if their Broker/Owner is a member.

We also have members from Savannah, Jesup, Richmond Hill and other cities. These are businesses who want to do business in Liberty County. They want to network with our folks and get to know the community. What are the benefits of Chamber membership? Well that could take us all day to explain but the basic explanation is you get out of it what you put into it. If you take advantage of all of the opportunities then the sky is the limit!

Want to know more or refer a friend for membership? [Click here.](#)

MAKING YOUR INSTAFEED CAMERA READY DURING COVID-19 WITH SIMPLE RECIPES

We have enjoyed the Farmers Market Subscription Box service the last almost 8 weeks and being able to give back to the community who has given us so much. While this endeavor has not been a moneymaker for us, and in fact has cost us quite a bit, we have become closer as a team within our office, closer to our members who needed us as an outlet to sell and closer to the community we serve. We've also noticed that social media feeds are looking a lot different since COVID-19 made folks stay home. Where we're used to seeing fabulous photos of fancy food, we're seeing everyone's homegrown and handmade efforts at entertainment, food, decorating, gardening and more!
