#LIBERTYCOUNTYPROUD

THE PERFECT DRINK RECIPIE FOR ANY SEASON

In Liberty County, we have a signature cocktail for each season! Break out your bartending skills, and make yourself one of our favorite cocktails by incorporating some of our favorite things and places into each one. The temperatures are dropping, so now is the perfect time for a cocktail to warm you up! Whip up a cup of authentic spiced German Glühwein with this delicious recipe from Zum Rosenhof in downtown Hinesville. A few more warm days are always a possibility in the south, so you can even enjoy a refreshing Bloody Mary or Blood Orange Mimosa on those cool nights by the fire. Or unwind with a glass of Bourbon Spiked Peach Tea to get a taste of summer anytime of year! Click here to see more tasty recipes to enjoy all throughout the year!

2023 CHAMBER/CVB NEW YEAR'S RESOLUTIONS

As the year comes to an end, many people are taking a step back and reflecting over the last 365 days!

Every year we all try to improve ourselves and go into the new year with expectations.

These New Year's resolutions become our blueprint as we step into January, and hopefully they guide us to success.

Click here to read the various goals and plans that your Chamber & CVB staff has for the upcoming year!

LIBERTY COUNTY BIKE TRAILS

The wind is beginning to whisper that winter has arrived in Liberty County, and we are so excited! With the change in the weather, you can enjoy a hot cup of cocoa or cider inside counting the days until you get back into the sun. Or you can enjoy the frost covered sites and take a ride along one of the biking trails in Liberty County. Visit Bryant Commons in the heart of Hinesville: a large 150-acre park waiting for you to come take a ride. Or venture around Fort Morris Historic Site, which is well known for its connection to the Revolutionary War. Or you can get out and embrace the changing colors of the leaves and enjoy the breeze with a ride in James Brown Park. Click here to read more about these Liberty County bike trails!

MEMBER SPOTLIGHT: FRASER COUNSELING CENTER

The Liberty County Chamber of Commerce has close to 500 AMAZING members.

Liberty County non-profits do a lot of good work in our community, and we are happy to highlight Fraser Counseling Center!

In 1986, Dr. Whitman Fraser established The Mary Lou Fraser Foundation for Families, Inc. to provide the people of Liberty County affordable, whole-person care, regardless of race, gender or socioeconomic status.

WHO CAN JOIN THE CHAMBER?

Chamber membership is open to anyone who wants to do business in Liberty County or just be connected to the community. Did you know we have quite a few retirees who are members? They just want to give back, volunteer & be a part of things.

Chamber membership pricing is based on the number of employees that a business has, however, there are exceptions for those who are retired. Realtors (R) can also receive discounted pricing if their Broker/Owner is a member.

We also have members from Savannah, Jesup, Richmond Hill and other cities. These are businesses who want to do business in Liberty County. They want to network with our folks and get to know the community.

What are the benefits of Chamber membership? Well that could take us all day to explain but the basic explanation is you get out of it what you put into it. If you take advantage of all of the opportunities then the possibilities are endless!

Want to know more or refer a friend for membership? Click here.
